

The Bath Township Public Library has three foundational rules of behavior that we expect youth to follow whenever they are on library premises.

These Rules are:

1. Be Safe
2. Be Respectful
3. Be Kind

Library staff are not responsible for the care, instruction, discipline, and/or safety of unaccompanied minors and those who cannot behave safely, respectfully, or kindly will be asked to leave library premises. Unaccompanied minors who are asked to leave will receive a letter from the library notifying their parent/caregiver that they were unable to follow the rules of behavior. This letter must be signed and returned to the library before said youth is allowed to return without a parent/caregiver. Per the request of the property owners, any youth asked to leave the library is required to leave the entire Four Corners Plaza. Please be aware that staff does not have the contact information for every youth that comes into the library and, therefore, it will be the responsibility of any unaccompanied minor asked to leave the library to notify their parent or caregiver.
